RE: Youth Tour for Juniors

To Whom It May Concern:

Canadian Valley Electric Cooperative (CVEC) in Seminole is again a part of a long-standing and tradition-rich program hosted by the NRECA & Oklahoma Association of Electric Cooperatives known as Youth Tour. I have included information about the program for current high school students classified as juniors. Two students from the CVEC service territory will be selected for an all-expenses-paid, week-long trip to Washington D.C. from June 14<sup>th</sup> – 20<sup>th</sup>, 2024 – Students or Parents **DO NOT** have to be members of CVEC but must reside or attend a school in the CVEC geographical service territory.

**Entry should include a completed application, a resume or list of activities & honors, and a short answer essay on the topic:**

***“If selected, what are you most excited to see, and what does it mean to you?”***

Please encourage all your students to submit their entries via mail or email to:
